QUESTION 1:

Section III: Evaluation and Prequalification Criteria-Criterion 4.3: Specific Operation and Maintenance of WWTP, "the subcontractor or joint venture partner named as the O & M provider on Form EL1-1.1 must meet these requirements. In Form ELI-1.1 no section to declare the O & M services provider. However, there is a form "Form EXP-4.3 Operation and Maintenance Experience" can be used for the details of the operation and Maintenance subcontractor. Please confirm.

RESPONSE 1:

Form ELI-1.1 is intended to provide information regarding the nationalities, legal addresses, and other key details of the main applicant, joint venture (JV) members, and subcontractors.
