5.1.10 Award criteria

Criterion:

Name: Price is not the only award criterion and all criteria are stated only in the procurement documents
Justification for not indicating the weighting of the award criteria: Eligible qualified independent consultants will be defined as follows: (a) Local consulting engineering firms satisfying the requirements as defined in the RFP document and classified as First Grade (1) in the field of Water and Wastewater as per the Government Tender Directorate (GTD) classification system; or (b) International independent consulting firms satisfying the requirements as defined in the RFP document; or (c) An association of two local consulting firms, or between local and international consulting firms, or an international firm with a local consultant, all jointly satisfying the requirements as defined in the RFP document. The local consulting firm, regardless of whether association member or consultant, shall also meet the requirements mentioned under a) above. Sub-Consultants, whose qualifications are offered for consideration during the evaluation of applications, may participate only in one such application. Violation of this rule will result in rejection of the applications concerned. All services under this contract as per the scope of works and the tender documents will be awarded to one qualified consultant.
